SUSTAINABLE ENERGY EUROPE

The EU Sustainable Energy Week 2010 is an event of the Sustainable Energy Europe Campaign.

What's in it for you?

1.

Many Energy Days across the EU – Go ahead and register yours!

Wherever you live in Europe, you can be part of the EUSEW by organising an Energy Day in your region or town.

If your event promotes energy efficiency or renewable energy and takes place from 20 to 28 March 2010, sign-up your event on www.eusew.eu

2.

A series of high-level events in Brussels – be part of it!

European institutions, Associates of the Sustainable Energy Europe Campaign, and other important players in the field organise a series of events in Brussels during the EUSEW, including a 3-day policy and networking conference in the premises of the European Commission from 23 to 25 March 2010.

Register now on www.eusew.eu

If you plan to organise an event on renewable energy or energy efficiency in Brussels, it is possible to add it to the agenda of EUSEW events in Brussels. You profit from more visibility and free registration services. How? Simply get in touch with the EUSEW secretariat (eusew@sustenergy.org).
